

ARTURA SPIDER

Artura Spider is the essence of driving spirit intensified. Here, all of our experience in radical, race-bred, superlight engineering combine. Together with our pioneering expertise in electrification and high-performance hybrid technology.

This is the supercar that you can use on every occasion. Beyond 200mph with its soul-stirring Twin-Turbocharged V6 behind you. Or in near-silent EV mode for discreet urban travel.

And Artura Spiders Retractable Hard Top (RHT) takes exhilaration to the next level at the touch of a button. Opening in just 11 seconds at up to 50km/h, it unleashes the elements, amplifying every sensation and enhancing each nuance. Whatever you want from a supercar is here. There is no compromise.

Configuration code:

ST789S3
